Commissioner for Patents
P.O. Box 1450
Arlington, VA 22313-1450

Sir:

Applicant respectfully requests that a Certificate of Correction be issued for the above referenced patent under 37 C.F.R. 1.323 for Applicant's mistake. Attached please find Form PTO-1050, in duplicate, with at least one copy being suitable for printing. The Issue Fee Transmittal form PTOL-85B, filed on December 21, 2004, inadvertently indicated incorrect assignment data to be printed on the patent, Item 3A. Due to this unintentional error, committed in good faith by the Applicant's attorneys, the printed patent incorrectly indicates that the assignee is Optoelectronics, Inc. As a result, the patent omits any reference to a previously recorded assignment to Delta Optoelectronics, Inc. Therefore, the applicant respectfully requests that item [73] Assignee of the title page of the patent be corrected by replacing "Optoelectronics, Inc., Hsinchu (TW)" with - - **Delta Optoelectronics, Inc., Hsinchu (TW)**- -
